

Dr. Yasuaki Ninomiya

Whitewings Excellent Gliders are designed by the world's leading paper airplane designer. Trained in microwave physics and recognized as a pioneer in microwave communications engineering, he has been fascinated by paper airplanes since early childhood. Dr. Ninomiya has created over 1,000 original designs from racer to profile. His designs won the grand prizes for Distance and Time Aloft in the First Great International Airplane Contest (Pacific Basin Region) in 1967. Dr. Ninomiya was invited to participate as a judge in the Second Great International Contest in 1985, and has been asked to do so again in the third contest.
